DECLARATIONS

The Proposed Insured (or Parent or Guardian) and Policy Owner declare that the statements and answers in this application and any form that is made part of this application are complete and true to the best of their knowledge and belief. All such statements and answers are representations, not warranties.

In addition, I/we understand and agree that:

1. **Policy Application:** The statements and answers in this application, which include any supplemental form relating to health, aviation practices or lifestyle of the Proposed Insured, will become part of the insurance policy issued as a result of this application. No information about me will be considered to have been given to The Company unless it is stated in the application or any form that is made part hereof.
2. **Policy Effective Date:**
   - **a)** Any life insurance policy issued as a result of this application will be effective on the later of the date the first premium has been paid in full and the date the policy has been delivered to the Policy Owner, provided that the Proposed Insured is still living and nothing has occurred that would require a change in any statement or answer in any part of the application, including any supplemental forms, in order to make the statement or answer true and complete as of the date this policy becomes effective. If there has been such an occurrence: (i) if there is no Temporary Life Insurance Agreement (TIA) coverage, the policy will not be put into effect, and (ii) if there is TIA coverage and the TIA has not ended, the policy will be put into effect but only to the limit of the TIA coverage amount.
   - **b)** If premiums are paid prior to delivery of the policy and the terms and conditions of the TIA are satisfied, insurance prior to the effective date shall be provided under the TIA and according to its terms.
   - **c)** Only an officer of The Company may make, modify, or discharge any insurance contract on its behalf. No agent has the authority to: (i) accept risks; (ii) determine insurability; (iii) make or modify any contractual provision; or (iv) waive any of The Company's rights or requirements.
3. **Employer Owned Policies:** The Proposed Insured confirms that they have received, prior to issue, written notice that indicates: (i) the employer's intent to insure the Proposed Insured, (ii) the maximum amount of the insurance to be issued on the life of the Proposed Insured and (iii) that the employer will be the beneficiary of the new policy. The Proposed Insured also confirms that they have provided written consent to being insured and that such coverage may continue after employment terminates.
4. **Fraud Warning:** Any person who knowingly presents a false statement in an application for insurance may be guilty of a criminal offense and subject to penalties under state law.
5. **Variable Policies: I/We acknowledge that the policy values that are based on the separate account assets are not guaranteed and will decrease or increase with investment experience.** I/We acknowledge receipt of the current prospectuses and supplements that describe the variable life insurance policy applied for and the sub-accounts of the separate account that are available under this policy. I/We have reviewed the prospectuses and supplements and believe that the variable life policy is consistent with my/our insurance needs, investment objectives and investment risk tolerance.
6. **Flexible Premium Policies**: I/We understand that I/we may need to pay additional premiums in addition to the Planned Premium if the current policy charges or actual interest rate credited/investment performance are different from the assumptions used in the illustration (assuming the requirements of any applicable guaranteed death benefit feature have not been satisfied).
7. **Temporary Insurance Coverage:** If coverage under a TIA is applied for, I have received, read and understand the terms and conditions of the Temporary Life Insurance Receipt and Agreement ICC16 NB6004.

The Proposed Insured understands and agrees that (i) his/her program membership will be subject to the provider's privacy policy and terms and conditions of membership, which the Proposed Insured should read prior to joining the program, and (ii) he/she will be asked to authorize the provider to share his/her health, lifestyle, medical or other personal information with The Company. Summary and Disclosure Statement for Accelerated Benefit

John Hancock Life Insurance Company (U.S.A.)

(hereinafter referred to as The Company)

Name of Proposed Life Insured	Name of Owner (If other than the Proposed Life Insured)	Policy Number

This disclosure statement provides a brief description of the benefit available under the Accelerated Benefit Rider for an acceleration of your life insurance benefits. The full details of the benefit are included in the actual rider.

Description of the Accelerated Benefit

The Accelerated Benefit Rider provides for the payment of a portion of the death benefit under a life insurance policy to the policy owner if the life insured is terminally ill and has a life expectancy of one year or less. The accelerated benefit can only be paid once under the rider. There is no premium charged for the rider.

Conditions or Occurrences Triggering Payment of the Accelerated Benefit

Payment of the accelerated benefit is triggered by our receipt of written evidence satisfactory to us that the life insured is terminally ill and has a life expectancy of one year or less. Part of the evidence must be a written statement from a licensed medical doctor stating the prognosis for the illness.

Effect on Policy if an Accelerated Benefit is Paid

1. Death Benefit: The death benefit of your policy will be reduced by the accelerated benefit paid, plus one year's interest, plus any administrative expense charge.
2. Cash Value: The cash value of your policy will be reduced. The reduced cash value will be equal to the result of the original cash value multiplied by the death benefit remaining after the accelerated benefit is paid, divided by the death benefit before the accelerated benefit is paid.
3. Policy Debt: If your policy has a loan against it, the policy loan will be reduced by the same proportion as the cash value.
4. Premium: There is no change to the premium payable for your policy.

Receipt of the Accelerated Benefit is intended to qualify for favorable tax treatment under section 101(g)(1)(A) of the Internal Revenue Code of 1986 as amended by Public Law 104-191. However, receipt of the benefit may affect eligibility for Medicaid and certain other public assistance programs. You should consult with your personal tax advisor and social service agencies before you decide to receive the benefit.

I/We acknowledge that I/we have received and read this Summary and Disclosure Statement for the Accelerated Benefit.

SECTION B: IMPORTANT NOTICE: Replacement of Life Insurance or Annuities

You are contemplating the purchase of a life insurance policy or annuity contract. In some cases, this purchase may involve discontinuing or changing an existing policy or contract. If so, a replacement is occurring. Financed purchases are also considered replacements.

A **REPLACEMENT** occurs when a new policy or contract is purchased and, in connection with the sale, you discontinue making premium payments on the existing policy or contract, or an existing policy or contract is surrendered, forfeited, assigned to the replacing insurer, or otherwise terminated or used in a financed purchase.

A **FINANCED PURCHASE** occurs when the purchase of a new life insurance policy involves the use of funds obtained by the withdrawal or surrender of, or by borrowing some or all of the policy values, including accumulated dividends, of an existing policy to pay all or part of any premium or payment due on the new policy. A financed purchase is a replacement.

You should carefully consider whether a replacement is in your best interests. You will pay acquisition costs and there may be surrender costs deducted from your policy or contract. You may be able to make changes to your existing policy or contract to meet your insurance needs at less cost. A financed purchase will reduce the value of your existing policy and may reduce the amount paid upon the death of the insured.

We want you to understand the effects of replacements before you make your purchase decision and ask that you answer the following questions and consider the questions on the following page.

3. Are you considering discontinuing making premium payments, surrendering, forfeiting, assigning to the insurer, or otherwise terminating your existing policy or contract? ☐ **Yes** ☐ **No**

4. Are you considering using funds from your existing policies or contracts to pay premiums due on the new policy or contract? ☐ **Yes** ☐ **No**

If you answered Yes to either of the above questions, list each existing policy or contract you are contemplating replacing (include the name of the insurer, the insured or annuitant, and the policy or contract number if available) and whether each policy or contract will be replaced or used as a source of financing:

INSURER NAME	**INSURER NAME**

b. Owner	**b.** Owner

d. ☐ Replacement ☐ Financing	**d.** ☐ Replacement ☐ Financing
e. 1035 Exchange? ☐ Yes ☐ No	**e.** 1035 Exchange? ☐ Yes ☐ No

Make sure you know the facts. Contact your existing company or its agent for information about the old policy or contract. If you request one, an inforce illustration, policy summary or available disclosure documents must be sent to you by the existing insurer. Ask for and retain all sales material used by the agent in the sales presentation. Be sure that you are making an informed decision.

SECTION C: Replacement Issues

A replacement may not be in your best interest, or your decision could be a good one. You should make a careful comparison of the cost and benefits of your existing policy or contract and the proposed policy or contract. One way to do this is to ask the company or agent that sold you your existing policy or contract to provide you with information concerning your existing policy or contract. This may include an illustration of how your existing policy or contract is working now and how it would perform in the future based on certain assumptions. Illustrations should not, however, be used as a sole basis to compare policies or contracts. You should discuss the following with your agent to determine whether replacement or financing your purchase makes sense:

PREMIUMS:
- Are they affordable?
- Could they change?
- You're older – are premiums higher for the proposed new policy?
- How long will you have to pay premiums on the new policy? On the old policy?

POLICY VALUES:
- New policies usually take longer to build cash values and to pay dividends.
- Acquisition costs for the old policy may have been paid, you will incur costs for the new one.
- What surrender charges do the policies have?
- What expense and sales charges will you pay on the new policy?
- Does the new policy provide more insurance coverage?

INSURABILITY:
- If your health has changed since you bought your old policy, the new one could cost you more, or you could be turned down.
- You may need a medical exam for a new policy.
- Claims on most new policies for up to the first two years can be denied based on inaccurate statements.
- Suicide limitations may begin anew on the new coverage.

IF YOU ARE KEEPING THE OLD POLICY AS WELL AS THE NEW POLICY:
- How are premiums for both policies being paid?
- How will the premiums on your existing policy be affected?
- Will a loan be deducted from death benefits?
- What values from the old policy are being used to pay premiums?

IF YOU ARE SURRENDERING AN ANNUITY OR INTEREST SENSITIVE LIFE PRODUCT:
- Will you pay surrender charges on your old contract?
- What are the interest rate guarantees for the new contract?
- Have you compared the contract charges or other policy expenses?

OTHER ISSUES TO CONSIDER FOR ALL TRANSACTIONS:
- What are the tax consequences of buying the new policy?
- Is this a tax free exchange? (See your tax advisor.)
- Is there a benefit from favorable "grandfathered" treatment of the old policy under the federal tax code?
- Will the existing insurer be willing to modify the old policy?
- How does the quality and financial stability of the new company compare with your existing company?

SECTION D: Agent Statement

5. The existing policy or contract is being replaced because

REMINDER TO AGENT/REGISTERED REPRESENTATIVE: John Hancock's policy concerning replacement appears in the "Agent's Code of Conduct" and states: The "Replacement" of existing policies should only occur when it is demonstratively in the best interest of the client and in compliance with all applicable state and Company requirements. You must disclose all of the advantages and disadvantages of any replacement. The client must fully understand the financial consequences of this action and, where required by regulation, Company policy or industry practice, consent to it in writing. You must indicate on every application for new coverage whenever a replacement is involved in that sale.
