Agreement, Authorization to Obtain and Disclose Information and Signatures

I, the Primary Proposed Insured (and any Owner signing below) acknowledge that I have read the statements contained in this application and any attachments or they have been read to me. My answers to the questions in this application are true and complete to the best of my knowledge and belief. I understand that this application: (1) consists of Part A, Part B, and if applicable, related attachments including certain questionnaire(s), supplement(s) and addendum(s); and (2) is the basis for any policy and any rider(s) issued. I understand that no information about me will be considered to have been given to the Company by me unless it is stated in the application. I agree to notify the Company of any changes in the statements or answers given in the application between the time of application and delivery of any policy. I understand that any misrepresentation contained in this application and relied on by the Company may be used to reduce or deny a claim or void the policy if: (1) such misrepresentation materially affects the acceptance of the risk; and (2) the policy is within its contestable period.

Except as may be provided in any Limited Temporary Life Insurance Agreement ("LTLIA"), I understand and agree that, even if I paid a premium, no insurance will be in effect under this application or under any new policy or any rider(s) that may be issued by the Company unless or until all three of the following conditions are met: (1) the policy has been delivered and accepted; (2) the full first modal premium for the issued policy has been paid; and (3) there has been no change in the health of any Proposed Insured(s) that would change the answer to any question in the application before items (1) and (2) in this paragraph have occurred. I understand and agree that, if all three conditions above are not met: (1) no insurance will be in effect; and (2) the Company's liability will be limited to a refund of any premiums paid, regardless of whether loss occurs before premiums are refunded.

If I have received and accepted the LTLIA, I understand and agree that such insurance is available only on the life of the Primary Proposed Insured under the life policy (and the Other Proposed Insured under a joint and survivorship life policy, if applicable) and only if the conditions set forth in the LTLIA are met. I understand and agree that such temporary insurance is not available as to any riders or any accident and/or health insurance.

I understand and agree that no agent is authorized to accept risks or pass upon insurability, make or modify contracts, or waive any of the Company's rights or requirements.

I have received a copy of or have been read the Notices to the Proposed Insured(s).

I authorize any medical professional; any hospital, clinic or other health care facility; any pharmacy benefit manager or prescription database; any insurance or reinsurance company; any consumer reporting agency or insurance support organization; my employer; the Medical Information Bureau (MIB); or any other person or organization that has any records or knowledge of me or my physical or mental health or insurability, or that of any minor child for whom application for insurance is being made, to disclose and give to the Company, its legal representatives, its affiliated service companies, and its affiliated insurers all information they have pertaining to: medical consultations; treatments; surgeries; hospital confinements for physical and/or mental conditions; use of drugs or alcohol; drug prescriptions; or any other information concerning me, or any minor child for whom application for insurance is being made. Other information may include, but is not limited to, items such as: personal finances including credit as permitted; habits; hazardous avocations; motor vehicle records from the Department of Motor Vehicles; court records; or foreign travel, etc.

I understand that the information obtained will be used by the Company to determine: (1) eligibility for insurance; (2) eligibility for benefits under an existing policy; and (3) verification of answers and statements on this application. I further authorize the Company to conduct a media or electronic search on me. Any information gathered during the evaluation of my application may be disclosed to: other insurers to whom I may apply for coverage; reinsurers; the MIB; other persons or organizations performing business or legal services in connection with my application or claim; me; any physician designated by me; or any person or entity required to receive such information by law or as I may further consent.

I, as well as any person authorized to act on my behalf, may, upon written request, obtain a copy of this consent. I understand this consent may be revoked at any time by sending a written request to the Company, Attn: Underwriting Department at P.O. Box 1931, Houston, TX 77251-1931. This consent will be valid for 24 months from the date of this application. I agree that a copy of this consent will be as valid as the original. I authorize the Company, its affiliated insurers, and its affiliated service companies to obtain an investigative consumer report on me. I understand that I may: (1) request to be interviewed for the report; and (2) upon written request, receive a copy of such report.

☐ Check if you wish to be interviewed.

HIV Testing and Consent
Texas Version

American General Life Insurance Company, 2727-A Allen Parkway, Houston, TX 77019
The United States Life Insurance Company in the City of New York, 28 Liberty Street, 45th Floor, New York, NY 10005-1400

Notice and Consent Form for HIV-Related Testing

To evaluate your insurability, the Insurer named above has requested that you provide a sample of your blood, oral fluid extracted from cheek and gum tissue, or urine for testing and analysis to determine the presence of human immunodeficiency virus (HIV) antibodies. By signing and dating this form you agree that this test may be done and that underwriting decisions will be based on the test result. A series of three tests will be performed by a licensed laboratory through a medically accepted procedure.

Pre-Testing Considerations. Many public health organizations have recommended that before taking an HIV-related test a person seek counseling to become informed concerning the implications of such a test. You may wish to consider counseling, at your expense, prior to being tested.

Meaning of Positive Test Result. The test is not a test for AIDS. It is a test for antibodies to the HIV virus, the causative agent for AIDS, and shows whether you have been exposed to the virus. A positive test result does not mean that you have AIDS but that you are at significantly increased risk of developing problems with your immune system. The test for HIV antibodies is very sensitive. Errors are rare, but they do occur. Your private physician, a public health clinic, or an AIDS information organization in your city might provide you with further information on the medical implications of a positive test.

Positive HIV antibody test results will adversely affect your application for insurance. This means that your application may be declined, that an increased premium may be charged, or that other policy changes may be necessary.

Confidentiality of Test Results. All test results are required to be treated confidentially. They will be reported by the laboratory to the Insurer. The test results may be disclosed as required by law or may be disclosed to employees of the Insurer who have the responsibility to make underwriting decisions on behalf of the Insurer or to outside legal counsel who needs such information to effectively represent the Insurer in regard to your application. The results may be disclosed to a reinsurer, if the reinsurer is involved in the underwriting process. The test may be released to an insurance medical information exchange under procedures that are designed to assure confidentiality, including the use of general codes that also cover results of tests for other diseases or conditions not related to AIDS, or for the preparation of statistical reports that do not disclose the identity of any particular person.

Notification of Test Result. If your test results are negative, no routine notification will be sent to you. If your test results are reported by the laboratory to the Insurer as being positive, you will receive written notification of such results from a physician you have designated or, in the absence of such designation, from the Texas Department of Health. Because a trained person should deliver that information so that you can understand clearly what the test result means, please list your private physician so that the Insurer can have him or her tell you the test result and explain its meaning.

Name of Physician for reporting a possible positive test result: _____

Address: _____

In the event the test is positive and you are denied coverage because of that fact and you request the reason for the denial, the Insurer may require you to name a physician at that time in order to receive the information.

If the test indicates a positive result, but you do not designate a private physician, the test results will be provided to you by a representative of the Texas Department of Health.

Consent. I have read and I understand this Notice and Consent for HIV-Related Blood Testing. I voluntarily consent to the collection of blood, oral fluid extracted from cheek and gum tissue, or urine from me, the testing of that sample, and the disclosure of the test results as described above. I have read the information on this form about what a test result means.

I understand that I have the right to request and receive a copy of this authorization. A photocopy of this form will be as valid as the original.

IMPORTANT NOTICE: REPLACEMENT OF LIFE INSURANCE OR ANNUITIES

This document must be signed by the applicant and the producer, if there is one, and a copy left with the applicant.

I do not want this notice read aloud to me. _____ (Applicants must initial only if they do not want the notice read aloud.)

You are contemplating the purchase of a life insurance policy or annuity contract. In some cases this purchase may involve discontinuing or changing an existing policy or contract. If so, a replacement is occurring. Financed purchases are also considered replacements.

A *replacement* occurs when a new policy or contract is purchased and, in connection with the sale, you discontinue making premium payments on the existing policy or contract, or an existing policy or contract is surrendered, forfeited, assigned to the replacing insurer, or otherwise terminated or used in a financed purchase.

A *financed purchase* occurs when the purchase of a new life insurance policy involves the use of funds obtained by the withdrawal or surrender of or by borrowing some or all of the policy values, including accumulated dividends, of an existing policy to pay all or part of any premium or payment due on the new policy. A financed purchase is a replacement.

You should carefully consider whether a replacement is in your best interest. You will pay acquisition costs and there may be surrender costs deducted from your policy or contract. You may be able to make changes to your existing policy or contract to meet your insurance needs at less cost. A financed purchase will reduce the value of your existing policy and may reduce the amount paid upon the death of the insured.

Are You Replacing Coverage? We want you to understand the effects of replacements before you make your purchase decision and ask that you answer the following questions and consider the questions on the back of this form.

1. Are you considering discontinuing making premium payments, surrendering, forfeiting, assigning to the insurer, or otherwise terminating your existing policy or contract?____YES ____ NO
2. Are you considering using funds from your existing policies or contracts to pay premiums due on the new policy or contract? ____ YES ____ NO

Applicant's and Producer's Non-Replacement Certification. Having answered "no" to questions 1 and 2, no replacement of coverage is occurring. We certify that the above two responses are, to the best of our knowledge, accurate.

If signed above, do not complete the remainder of the form.
If you answered "yes" to either question 1 or 2, complete the remainder of this form, as directed.

List each existing policy or contract you are contemplating replacing (include the name of the insurer, the insured or annuitant, and the policy or contract number if available) and whether each policy or contract will be replaced or used as a source of financing:

INSURER NAME	CONTRACT OR POLICY #	INSURED OR ANNUITANT	REPLACED (R) OR FINANCING (F)
1.			
2.			
3.			

Make sure you know the facts. Contact your existing company or its agent for information about the old policy or contract. If you request one, an in force illustration, policy summary or available disclosure documents must be sent to you by the existing insurer. Ask for and retain all sales material used by the agent in the sales presentation. Be sure that you are making an informed decision.

Reason for Replacement: The existing policy or contract is being replaced because _____

_____ .

Sales Materials. A copy of all printed sales materials used in connection with this transaction must be provided to the applicant. In addition, the producer should attach to the application all individualized sales materials used and list below all other sales materials used. *(List form number and brief description or name of sales materials used. If no sales materials were used, indicate "None".)*

_____

_____

Replacement Factors. A replacement may not be in your best interest, or your decision could be a good one. You should make a careful comparison of the costs and benefits of your existing policy or contract and the proposed policy or contract. One way to do this is to ask the company or agent that sold you your existing policy or contract to provide you with information concerning your existing policy or contract. This may include an illustration of how your existing policy or contract is working now and how it would perform in the future based on certain assumptions. Illustrations should not, however, be used as the sole basis to compare policies or contracts. You should discuss the following with your agent to determine whether replacement or financing your purchase makes sense:

PREMIUMS:

Are they affordable?
Could they change?
You're older—are premiums higher for the proposed new policy?
How long will you have to pay premiums on the new policy? On the old policy?

POLICY VALUES:

New policies usually take longer to build cash values and to pay dividends.
Acquisition costs for the old policy may have been paid; you will incur costs for the new one.
What surrender charges do the policies have?
What expense and sales charges will you pay on the new policy?
Does the new policy provide more insurance coverage?

INSURABILITY:

If your health has changed since you bought your old policy, the new one could cost you more, or you could be turned down.
You may need a medical exam for a new policy.
Claims on most new policies for up to the first two years can be denied based on inaccurate statements.
Suicide limitations may begin anew on the new coverage.

IF YOU ARE KEEPING THE OLD POLICY AS WELL AS THE NEW POLICY:

How are premiums for both policies being paid?
How will the premiums on your existing policy be affected?
Will a loan be deducted from death benefits?
What values from the old policy are being used to pay premiums?

IF YOU ARE SURRENDERING AN ANNUITY OR INTEREST SENSITIVE LIFE PRODUCT:

Will you pay surrender charges on your old contract?
What are the interest rate guarantees for the new contract?
Have you compared the contract charges or other policy expenses?

OTHER ISSUES TO CONSIDER FOR ALL TRANSACTIONS:

What are the tax consequences of buying the new policy?
Is this a tax free exchange? (See your tax advisor.)
Is there a benefit from favorable "grandfathered" treatment of the old policy under the federal tax code?
Will the existing insurer be willing to modify the old policy?

1) I have reviewed and am familiar with all aspects of the premium financing proposal.
2) Based upon my review of the financing proposal, I believe that the costs associated with this premium financing proposal are such that assuming no change in the insured/additional insured's health, it is more likely than not that the insured/additional insured will maintain the policy in force for the benefit of his/her beneficiaries and those beneficiaries will receive more than 50% of the policy death benefit.

Premium Financing Disclosure for Proposed Insureds

American General Life Insurance Company, 2727-A Allen Parkway, Houston, TX 77019

In this form, the "Company" refers to the insurance company name listed above. The Company shown above is **solely** responsible for the obligation and payment of benefits under any policy that it may issue. No other Company is responsible for such obligations or payments.

We are providing this notice to all insureds age 67 or older who have applied for life insurance policies, as we have seen unprecedented growth in premium financing for policies in this demographic.

Premium financing is a practice that has been used in connection with the sale of life insurance policies for many years. If you are contemplating financing the purchase of life insurance or participating in the acquisition of a life insurance policy acquired with funds from a source outside your control, please consider the following issues:

- All the questions on the life insurance application should have been answered accurately and completely. Misrepresentations about your health, your financial resources or the purpose for acquiring the policy may result in claims disputes rather than payment of insurance benefits.

- Be sure you understand the transaction. Some transactions are established with a trustee or other third party who obtains financing from a lender on terms that may not be to the insured's advantage. Ask yourself, are the parties involved looking out for your best interest?

- Will a significant portion of your policy death benefit reach your beneficiaries? If most of the death benefits are not going to your beneficiaries, perhaps you should consider acquiring a more affordable policy that you control for your beneficiaries.

IMPORTANT: Any payments received as an inducement for entering into a life insurance transaction are taxable as ordinary income. Also, if you have financed premiums to pay for a policy with the understanding that you can walk away after the initial term with no personal obligation to repay the loan or loan interest, it is possible that forgiveness of debt can also create taxable income for you. If you sell your policy the gain is taxable to you. You should consult with your personal tax advisor about any questions you may have regarding the tax consequences of this transaction.

- It is important to know the lender, the trustee or other parties participating in the transaction. Ask whether you are comfortable participating in a transaction where investors or entities you do not know may end up owning a large insurance policy on your life.

This is not a complete list of all the issues that you should consider when contemplating a new life insurance transaction. If you have any questions or concerns, you can contact your Agent or call our Company at 1-800-247-8837, prompt 1.

Please acknowledge that you have received this disclosure by signing a copy of this form and returning it to the Company. Retain a copy for your records.
