By signing I acknowledge that I have read and agreed to all of the following consents that pertain to my preferred premium payment method.

Consents

If a conditional receipt was issued along with this authorization, initial premium will be withdrawn/cashed upon receipt of the application by the Company. Unless a conditional receipt was issued along with this authorization, I/we agree this authorization shall not become effective for payment of the initial premium unless and until after a contract is issued and all other conditions of coverage set forth in the application have been met.

As a convenience to me, I request and authorize the Company named above to make withdrawals, by draft or electronic transfer, from my account with the financial institution named for: (1) premiums becoming due (including premiums which have increased from the initial payment amount under the terms of the policy(ies) or due to changes made to the policy(ies)); (2) other amounts due under the policy(ies) listed above (including any amendments, endorsements, riders, or amounts past due); (3) loan payments if authorized above or later agreed to by me; and/or (4) such other payments as I may authorize the Company to make. I request that this authorization, unless previously revoked, continue to apply to any conversion, renewal, or change later made to the policy(ies). I understand that if a withdrawal is not honored for payment by the financial institution, with or without cause and whether intentionally or inadvertently, and the premiums are not otherwise paid within the grace period allowed by a policy, the policy may terminate.

As a convenience to me, I hereby request the financial institution named above (and its successors and assigns) to accept and honor the draft or transfer withdrawals made by the Company from my account. I agree the financial institution shall be fully protected in honoring such draft or transfer.

This authorization shall take effect when recorded and processed by the Company and financial institution and will remain in effect until I notify the Company or the financial institution in writing to terminate and the Company or financial institution has a reasonable time to act on the termination request. I hereby terminate any prior authorization of the Company to initiate charges to this account for the above policy(ies) effective the date on which the initial charge is made under this authorization. I also understand and agree that if a withdrawal is not honored by the financial institution for any reason, the Company may cease attempting to make withdrawals through the use of this authorization.

Bank Account Will be Subject to Identity Verification

To help ensure the security of your funds, if bank account information is provided, the Company may obtain a consumer report from a Consumer Reporting Agency ("CRA") to help verify the validity and accuracy of the account information provided. If I have provided the company with bank account information, I authorize the Company to obtain a consumer report from the CRA as described above, and acknowledge that I: (i) understand that in order for the CRA to verify my account information, some of my personal information will be shared with the CRA; and (ii) consent to such sharing, retention, and use.

Notice and Consent for HIV-Related Testing TEXAS

To evaluate your insurability, the insurer named above ("the Insurer") has requested that you provide a sample of your blood, oral fluid extracted from cheek and gum tissue, or urine for testing and analysis to determine the presence of human immunodeficiency virus (HIV) antibodies. By signing and dating this form, you agree that this test may be done and that underwriting decisions will be based on the test result. A series of three tests will be performed by a licensed laboratory through a medically accepted procedure.

Pre-Testing Considerations

Many public health organizations have recommended that before taking an HIV-related test, a person seek counseling to become informed concerning the implications of such a test. You may wish to consider counseling, at your expense, prior to being tested.

Meaning of Positive Test Result

The test is not a test for AIDS. It is a test for antibodies to the HIV virus, the causative agent for AIDS, and shows whether you have been exposed to the virus. A positive test result does not mean that you have AIDS but that you are at significantly increased risk of developing problems with your immune system. The test for HIV antibodies is very sensitive. Errors are rare, but they do occur. Your private physician, a public health clinic, or an AIDS information organization in your city might provide you with further information on the medical implications of a positive test. Positive HIV antibody test results will adversely affect your application for insurance. This means that your application may be declined, that an increased premium may be charged, or that other policy changes may be necessary.

Confidentiality of Test Results

All test results are required to be treated confidentially. They will be reported by the laboratory to the Insurer. The test results may be disclosed as required by law or may be disclosed to employees of the Insurer who have the responsibility to make underwriting decisions on behalf of the Insurer or to outside legal counsel who needs such information to effectively represent the Insurer in regard to your application. The results may be disclosed to a reinsurer, if the reinsurer is involved in the underwriting process. The test results may be released to an insurance medical information exchange under procedures that are designed to assure confidentiality, including the use of general codes that also cover results of tests for other diseases or conditions not related to AIDS, or for the preparation of statistical reports that do not disclose the identity of any particular person.

Notification of Test Results

If your test results are negative, no routine notification will be sent to you. If your test results are reported by the laboratory to the Insurer as being positive, you will receive written notification of such results from a physician you have designated or, in the absence of such designation, from the Texas Department of Health. Because a trained person should deliver that information so that you can understand clearly what the test result means, please list your private physician so that the Insurer can have him or her tell you the test result and explain its meaning.

Notice and Consent for HIV-Related Testing TEXAS

In the event the test is positive and you are denied coverage because of that fact and you request the reason for the denial, the insurer may require you to name a physician at that time in order to receive the information.

If the test indicates a positive result, but you do not designate a private physician, the test results will be provided to you by a representative of the Texas Department of Health.

Consent

I have read and I understand this *Notice and Consent for HIV-Related Testing*. I voluntarily consent to the withdrawal of blood, oral fluid extracted from cheek and gum tissue, or urine from me, the testing of that sample, and the disclosure of the test results as described above. I have read the information on this form about what a test result means.

I understand that I have the right to request and receive a copy of this authorization. A photocopy of this form will be as valid as the original.

To conduct business electronically, receive documents applicable to the Policy in electronic format, and access documents electronically via a hyperlink contained in an electronic mail ("email") or attached to an email, you must provide Transamerica, and its authorized designees and agents, with your consent. If you indicated your consent by electronically signing this document where indicated below, you will be providing Transamerica and its authorized designees and agents, with your consent:

2. **Permit the Owner of the Policy to receive via electronic means privacy notices from Transamerica, including those companies on whose behalf Transamerica sends privacy notices, including World Group Securities, Inc. and Transamerica Financial Advisors, Inc., as well as from any affiliate or subsidiary companies administering or supporting any Policy issued as part of your application (collectively "Privacy Notices");**

3. **Permit the Owner and Insured (and Third Party, if applicable) to submit via electronic means your application for an insurance product;**

4. **Permit the Owner and Insured (and Third Party, if applicable) to execute via electronic means certain Required Documents and Other Documents; and**

5. **Be bound with the same force and effect as if you had signed your name on paper by hand when you electronically sign this Consent where indicated below and click "OK" or otherwise apply your electronic signature to Required Documents or Other Documents.**

NOTE: IF THE OWNER IS NOT THE INSURED, THEN BOTH WILL NEED TO SIGN THE CONSENT BELOW

What is the Scope of this Consent?
This Consent applies to all documents related to your Policy, including, but not limited to, the following: Privacy Notices, prospectuses, prospectus supplements, annual and semiannual reports, annual and quarterly statements, confirmation statements, statements of additional information, proxy solicitation materials, conditional receipts, application, application supplements and addendums, Policy contract, illustrations, amendments, riders, replacement notices, customer correspondence, and any other Required Documents and Other Documents when available (collectively, "Policy Documents"). These Policy Documents will generally be accessible through a hyperlink delivered via email to the Owner's email address(es) written below when electronic access to the various Policy Documents is available from Transamerica.

Even though you have provided Transamerica with this Consent, Transamerica may, at its option, or as required by law: (a) deliver Policy Documents to you on paper, and (b) require that certain communications from you be delivered to Transamerica on paper.

Can I get paper copies of the Policy Documents?
Yes. You may obtain paper copies of any of the Policy Documents at any time and without charge by contacting Transamerica at the address provided below. If you do not wish to access all Policy Documents electronically, please call Transamerica's Customer Service Department at the telephone number provided below.

How long will this Consent remain in effect?
This Consent shall become effective once you sign below and remains in effect for so long as your Policy remains in effect, or until you withdraw your consent (as described in the next section), whichever occurs first.

What if I change my mind?
If at any time you would like to cease doing business electronically with Transamerica with respect to your Policy, you will need to provide Transamerica with written notice of your withdrawal of your consent to do so, which will then terminate this Consent. You may withdraw consent at any time and without charge by contacting Transamerica. Your withdrawal of consent and the termination of this Consent will become effective two (2) business days after Transamerica's receipt of your withdrawal. Thereafter, all Policy Documents will be provided to you on paper and you will no longer be able to conduct business with us electronically, unless you provide your consent again.

IMPORTANT NOTICE:
REPLACEMENT OF LIFE INSURANCE OR ANNUITIES

This document must be signed by the applicant and the producer, if there is one, and a copy left with the applicant

You are contemplating the purchase of a life insurance policy or annuity contract. In some cases this purchase may involve discontinuing or changing an existing policy or contract. If so, a replacement is occurring. Financed purchases are also considered replacements.

A replacement occurs when a new policy or contract is purchased and, in connection with the sale, you discontinue making premium payments on the existing policy or contract, or an existing policy or contract is surrendered, forfeited, assigned to the replacing insurer, or otherwise terminated or used in a financed purchase.

A financed purchase occurs when the purchase of a new life insurance policy involves the use of funds obtained by the withdrawal or surrender of or by borrowing some or all of the policy values, including accumulated dividends, of an existing policy, to pay all or part of any premium or payment due on the new policy. A financed purchase is a replacement.

You should carefully consider whether a replacement is in your best interest. You will pay acquisition costs and there may be surrender costs deducted from your policy or contract. You may be able to make changes to your existing policy or contract to meet your insurance needs at less cost. A financed purchase will reduce the value of your existing policy and may reduce the amount paid upon the death of the insured.

We want you to understand the effects of replacements before you make your purchase decision and ask that you answer the following questions and consider the questions on the back of this form.

1. **Are you considering discontinuing making premium payments, surrendering, forfeiting, assigning to the insurer, or otherwise terminating your existing policy or contract? ___ YES ___ NO**

2. **Are you considering using funds from your existing policies or contracts to pay premiums due on the new policy or contract? ___ YES ___NO**

If you answered “yes” to either of the above questions, list each existing policy or contract you are contemplating replacing (include the name of the insurer, the insured or annuitant, and the policy number or contract number if available) and whether each policy or contract will be replaced or used as a source of financing:

INSURER NAME	CONTRACT OR POLICY #	INSURED	REPLACED (R) OR FINANCING (F)
1.			
2.			
3.			

Make sure you know the facts. Contact your existing company or its agent for information about the old policy or contract. [If you request one, an in-force illustration, policy summary or available disclosure documents must be sent to you by the existing insurer.] Ask for and retain all sales material used by the agent in the sales presentation. Be sure that you are making an informed decision.

The existing policy or contract is being replaced because _____.
I certify that the responses herein are, to the best of my knowledge, accurate:

_____ _____
Applicant’s Signature and Printed Name Date

_____ _____
Producer’s Signature and Printed Name Date

_____ **I do not want this notice read aloud to me. (Applicants must initial only if they do not want the notice read aloud.)**

A replacement may not be in your best interest, or your decision could be a good one. You should make a careful comparison of the costs and benefits of your existing policy or contract and the proposed policy or contract. One way to do this is to ask the company or agent that sold you your existing policy or contract to provide you with information concerning your existing policy or contract. This may include an illustration of how your existing policy or contract is working now and how it would perform in the future based on certain assumptions. Illustrations should not, however, be used as a sole basis to compare policies or contracts. You should discuss the following with your agent to determine whether replacement or financing your purchase makes sense:

PREMIUMS:

- Are they affordable?
- Could they change?
- You're older – are premiums higher for the proposed new policy?
- How long will you have to pay premiums on the new policy? On the old policy?

POLICY VALUES:

- New policies usually take longer to build cash values and to pay dividends.
- Acquisition costs for the old policy may have been paid; you will incur costs for the new one.
- What surrender charges do the policies have?
- What expenses and sales charges will you pay on the new policy?
- Does the new policy provide more insurance coverage?

INSURABILITY:

- If your health has changed since you bought your old policy, the new one could cost you more, or you could be turned down.
- You may need a medical exam for a new policy.
- [Claims on most new policies for up to the first two years can be denied based on inaccurate statements.
- Suicide limitations may begin anew on the new coverage.]

IF YOU ARE KEEPING THE OLD POLICY AS WELL AS THE NEW POLICY:

- How are premiums for both policies being paid?
- How will the premiums on your existing policy be affected?
- Will a loan be deducted from death benefits?
- What values from the old policy are being used to pay premiums?

IF YOU ARE SURRENDERING AN ANNUITY OR INTEREST SENSITIVE LIFE PRODUCT:

- Will you pay surrender charges on your old contract?
- What are the interest rate guarantees for the new contract?
- Have you compared the contract charges or other policy expenses?

OTHER ISSUES TO CONSIDER FOR ALL TRANSACTIONS:

- What are the tax consequences of buying the new policy?
- Is this a tax-free exchange? (See your tax advisor)
- Is there a benefit from favorable "grandfathered" treatment of the old policy under the federal tax code?
- Will the existing insurer be willing to modify the old policy?
- How does the quality and financial stability of the new company compare with your existing company?

30 DAY RIGHT TO CANCEL

In the event of a replacement transaction, you may cancel this policy by delivering or mailing a written request to the Company. You must return the policy to the Company before midnight of the thirtieth day after the day you receive it. You will receive an unconditional full refund of all premiums or considerations paid on it, less any withdrawals and indebtedness, including any policy fees or charges or, in the case of a variable or market value adjustment policy, payment of the cash surrender value provided under the policy plus the fees and other charges deducted from the gross premiums or considerations or imposed under the policy. Your written request given by mail and return of the policy by mail are effective on being postmarked, properly addressed and postage prepaid.

Statement of Understanding and Acknowledgment

Applicant's Name: _____

I am applying for an Index Universal Life Insurance Policy to be issued by the Company. In connection with my application I understand that:

THE POLICY

This policy is intended for people whose primary purpose in buying life insurance is for the death benefit.

Since a portion of the interest credited to the Index Account(s) is calculated in part by reference to outside indexes, there is the potential for greater volatility in the amount of Excess Index Interest credited than of interest credited to the Basic Interest Account. This policy works best for those individuals who can tolerate fluctuations in interest crediting and is not recommended for policyowners who do not intend to allocate a significant portion of their net premiums to the Index Account(s).

This policy is not an investment in the stock markets or the indexes and does not participate in any stock or investments.

PREMIUMS

I must pay premiums on a regular basis to keep the policy in effect. The policy may lapse if I do not have sufficient Cash Surrender Value (Policy Value less the Surrender Charge and less any Loan Balance) in the policy to pay the next Monthly Deduction and Index Account Monthly Charge and have not paid enough premiums to meet the Minimum No Lapse Premium requirement. In that event, I would be required to pay additional premiums to keep the policy in force.

ACCOUNT OPTIONS

The policy I am applying for allows me to allocate my net premium payments to more than one Account Option: the Basic Interest Account and the Index Accounts. Interest will be credited differently to the different Account Options.

INTEREST

Net premiums allocated to the Basic Interest Account will earn interest at the Current Interest Rate declared by the Company. This rate is guaranteed never to be less than 2% per year. Net Premiums received after a Monthly Policy Date that are to be allocated to the Basic Interest Account will earn interest at the Current Interest Rate until the next Monthly Policy Date, when they will be placed into the next Basic Interest Account Segment.

Net Premiums allocated to the Index Accounts will earn interest at a guaranteed minimum annual interest rate of 0.75%. Net Premiums received after a Monthly Policy Date that are to be allocated to an Index Account will earn interest at the guaranteed rate until the next Monthly Policy Date, when they will be placed into the next Index Account Segment. Additional interest ("Excess Index Interest") may be credited at of the end of each one-year Segment Period.

EXCESS INDEX INTEREST

Excess Index Interest on the Index Accounts is determined using a formula based on changes in the index(es), excluding dividend income, and cannot exceed the Cap established by the Company. The Company may determine a different Cap for each Segment and can increase or decrease the Cap at its discretion at the Segment Anniversary. Current Caps will be shown in Policy Statements and may be obtained from the Company's Administrative Office.

Excess Index Interest, if any, is credited to a segment at the end of each one year Segment Period. Any Policy Values, Death Benefit or Cash Surrender Value determined during a Segment Period will be based only on guaranteed minimum interest that has already been credited during the Segment Period. A Policy Statement reflecting Policy Values and the interest credited for a policy year will be provided annually.

EXCESS INDEX INTEREST (CONTINUED)

Monthly Deductions, Index Account Monthly Charges, and certain policyowner transactions, such as transfers, loans and withdrawals, occurring during a Segment Period will reduce the value used in determining Excess Index Interest. This will result in the reduction of any Excess Index Interest that might otherwise have been credited at the end of the Segment Period. Upon surrender of the policy, no Excess Index Interest will be credited for partial years on any Index Account Segment.

TRANSFERS

Transfers from an Index Account Segment will only be processed at the end of the Segment Period. For purposes of dollar cost averaging, transfers to an Index Account are processed on the monthly policy date following receipt of the request. Transfers from the Basic Interest Account will only be processed on the monthly date following receipt of the request.

LOANS AND WITHDRAWALS

Loans and withdrawals may be taken from the Basic Interest Account and the Index Accounts(s). Loans and withdrawals are Subject to certain fees and charges and to the conditions and limitations specified in the policy.

SURRENDERS

If the policy is surrendered, the Cash Surrender Value of the policy will be equal to the Policy Value less any applicable surrender charges and any Loan Balance. Surrender charges apply for the first fifteen policy years and for fifteen years from the date of any Face Amount increase. The surrender charge will vary based on the Face Amount and duration of the Policy and the issue age, gender and class of risk of the insured on the policy date and at the time of any increase in the Face Amount.

CONSUMER BROCHURE

I have received a copy of the Consumer Brochure containing information regarding the policy. I understand that I have a certain period of time after receipt of the policy issued to me to review and return it for a refund of premium as described in the policy.

I have read and understand the above disclosures of certain limitations and restrictions regarding the policy and the Index Account(s).

The guaranteed minimum interest rates for the Basic Interest Account and Index Accounts are shown on the previous page. Non-guaranteed rates and other elements appearing on illustrations or other related materials are hypothetical and actual results may be less favorable than those shown on such documents. I understand I may select the assumed rates and elements used in illustrations or other related materials.

INDEX UNIVERSAL LIFE INSURANCE IS NOT A SECURITY and index universal life insurance policies are not an investment in the stock market or in the indexes. Index Account Interest is based, in part, on index performance.

Past performance of an index is not an indication of future index performance. There is no guarantee that any Excess Index Interest will be credited above the guaranteed minimum interest rate for the Index Account(s). Additionally, there is no guarantee that the company will declare an interest rate greater than the guaranteed minimum interest rate for the Basic Interest Account.
