DECLARATIONS

The Proposed Insured (or Parent or Guardian) and Policy Owner declare that the statements and answers in this application and any form that is made part of this application are complete and true to the best of their knowledge and belief. All such statements and answers are representations, not warranties.

In addition, I/we understand and agree that:

1. **Policy Application:** The statements and answers in this application, which include any supplemental form relating to health, aviation practices, financial information or lifestyle of the Proposed Insured, will become part of and be attached to the insurance policy issued as a result of this application. No information about me will be considered to have been given to The Company unless it is stated in the application or any form that is made part hereof.
2. **Policy Effective Date:**
   - **a)** Any life insurance policy issued as a result of this application will be effective on the later of the date the first premium has been paid in full and the date the policy has been delivered to the Policy Owner, provided that the Proposed Insured is still living and nothing has occurred that would require a change in any statement or answer in any part of the application, including any supplemental forms, in order to make the statement or answer true and complete as of the date this policy becomes effective. If there has been such an occurrence: (i) if there is no Temporary Life Insurance Agreement (TIA) coverage, the policy will not be put into effect, and (ii) if there is TIA coverage and the TIA has not ended, the policy will be put into effect but only to the limit of the TIA coverage amount.
   - **b)** If premiums are paid prior to delivery of the policy and the terms and conditions of the TIA are satisfied, insurance prior to the effective date shall be provided under the TIA and according to its terms.
   - **c)** Only an officer of The Company may make, modify, or discharge any insurance contract on its behalf. No agent has the authority to: (i) accept risks; (ii) determine insurability; (iii) make or modify any contractual provision; or (iv) waive any of The Company's rights or requirements.
3. **Employer Owned Policies:** The Proposed Insured confirms that they have received, prior to issue, written notice that indicates: (i) the employer's intent to insure the Proposed Insured, (ii) the maximum amount of the insurance to be issued on the life of the Proposed Insured and (iii) that the employer will be the beneficiary of the new policy. The Proposed Insured also confirms that they have provided written consent to being insured and that such coverage may continue after employment terminates.
4. **Fraud Warning:** Any person who knowingly presents a false statement in an application for insurance may be guilty of a criminal offense and subject to penalties under state law.
5. **Variable Policies: I/We acknowledge that the policy values that are based on the separate account assets are not guaranteed and will decrease or increase with investment experience.** I/We acknowledge receipt of the current prospectuses and supplements that describe the variable life insurance policy applied for and the sub-accounts of the separate account that are available under this policy. I/We have reviewed the prospectuses and supplements and believe that the variable life policy is consistent with my/our insurance needs, investment objectives and investment risk tolerance.
6. **Flexible Premium Policies**: I/We understand that I/we may need to pay additional premiums in addition to the Planned Premium if the current policy charges or actual interest rate credited/investment performance are different from the assumptions used in the illustration (assuming the requirements of any applicable guaranteed death benefit feature have not been satisfied).
7. **Temporary Insurance Coverage:** If coverage under a TIA is applied for, I have received, read and understand the terms and conditions of the Temporary Life Insurance Receipt and Agreement ICC16 NB6004.
8. **Healthy Engagement Benefit:** If a policy is issued with the Healthy Engagement rider or benefit (the Benefit), the Proposed Insured will receive a membership in a healthy engagement program offered by a third party program provider. By applying for the Benefit, the Proposed Insured authorizes The Company to share his/her personal information, including certain health information, with the provider in connection with the registration for the program and administration of the Benefit. The Proposed Insured understands and agrees that (i) his/her program membership will be subject to the provider's privacy policy and terms and conditions of membership, which the Proposed Insured should read prior to joining the program, and (ii) he/she will be asked to authorize the provider to share his/her health, lifestyle, medical or other personal information with The Company. The Proposed Insured will not be eligible to participate in the program if the terms and conditions of membership are not accepted. Upon termination of the policy or rider, as applicable, the program membership will terminate and access to further benefits and incentives, if any, will cease as provided in the terms and conditions. The Company is not responsible or liable for any damage, loss or injury arising out of the Proposed Insured's participation in any third party healthy engagement programs or receipt of any products or services provided through such programs.

Summary and Disclosure Statement for Accelerated Death Benefit for Terminal Illness Rider

JOHN HANCOCK LIFE INSURANCE COMPANY (U.S.A.)
(hereinafter referred to as The Company)

SECTION A: Proposed Insured

1. Name FIRST MIDDLE LAST
2. Policy number

SECTION B: Proposed Owner (if other than Proposed Insured)

3. Name FIRST MIDDLE LAST

SECTION C: Disclosure

This disclosure statement provides a brief description of the benefit available under the Accelerated Death Benefit for Terminal Illness Rider for an acceleration of your life insurance benefits. The full details of the benefit are included in the actual rider.

Description of the Accelerated Death Benefit for Terminal Illness Rider
The Accelerated Death Benefit for Terminal Illness Rider provides for the payment of a portion of the death benefit under a life insurance policy to the policy owner(s) if the life insured is terminally ill and has a life expectancy of one year or less. The accelerated death benefit can only be paid once under the rider. There is no premium charged for the rider.

Conditions or Occurrences Triggering Payment of the Accelerated Death Benefit
Payment of the accelerated death benefit is triggered by our receipt of written evidence satisfactory to us that the life insured is terminally ill and has a life expectancy of one year or less. Part of the evidence must be a written statement from a licensed medical doctor stating the prognosis for the illness.

Effect on Policy if an Accelerated Death Benefit is Paid

1. **Death Benefit:** The eligible death benefit of your policy will be reduced by the accelerated death benefit paid from this policy plus one year's interest.
2. **Face Amount, Cash Surrender Value, and Policy Value:** The face amount and any cash surrender value and policy value will be reduced by the same percentage as the eligible death benefit.
3. **Policy Debt:** If your policy has an outstanding loan, the policy debt will be reduced by the same proportion as the eligible death benefit.
4. **Premium/Charges:** For term life insurance policies, the premium will be adjusted to reflect the premium that would apply had the policy been issued at the reduced face amount. For flexible premium life insurance policies, the cost of insurance charge will be adjusted to reflect the cost of insurance charge that would apply to the remaining death benefit and net amount at risk. The effect on other monthly deductions will be as described in the policy.

Receipt of the accelerated death benefit is intended to qualify for favorable tax treatment under section 101(g) of the Internal Revenue Code of 1986, as amended, and is not intended to provide long-term care insurance coverage. Accelerated death benefits may affect your eligibility for public assistance programs such as Medicaid, aid to families with dependent children, and supplemental security income.

You should seek additional information from your personal tax advisor before taking an accelerated death benefit.

This notice will describe how we may use and disclose this Protected Health Information.

We are providing you with this notice in accordance with federal health privacy regulations that were issued as a result of HIPAA. We have obligations under that law to maintain the privacy of your medical information, which we take very seriously. We are required to:

- provide you with notice of our legal duties and privacy practices regarding your Protected Health Information. This notice is to satisfy this duty.
- provide you with a paper copy of this notice upon your request, even if you received it electronically.
- comply with the terms of our privacy notice that is in effect. We reserve the right to change this notice, and such change will apply to all medical information that we maintain. If we make a material change to this notice, we will send a revised notice to all long-term care, medical, and those life insurance clients who purchased a long-term care rider.

It is possible that you have received or will receive additional privacy notices from us. Those notices are provided in accordance with other laws and regulations, and describe our practices with respect to personal and financial information in addition to medical information.

Your Authorization To Use and Disclose Protected Health Information

We will not use or disclose your Protected Health Information without your written authorization unless the use or disclosure is described below in this notice. You have the right to revoke in writing at any time an authorization you give to us, by writing to us at the address listed at the end of this notice, but not if we have already acted in reliance on the authorization, nor if you provided the authorization in order to obtain your insurance coverage.

John Hancock does not sell or use your Protected Health Information for marketing purposes. We are required to inform you that uses and disclosures of Protected Health Information for marketing purposes (i.e. communications to individuals about health-related products or services where the insurer would receive financial remuneration in exchange for making the communication from or on behalf of a third party whose product or service is being described), and disclosures that constitute a sale of Protected Health Information would require your prior authorization.

Please give this Notice to the Proposed Insured.

Use And Disclosure Of Protected Health Information without Your Written Authorization

Below is a description of ways in which insurance companies, including John Hancock, are permitted to use and disclose the Protected Health Information we receive about you in connection with a long-term care insurance application, policy, certificate, or rider. These uses and disclosures, and those that are incidental to such uses and disclosures, are permitted by law without a signed authorization from you.

Use and disclosure for payment related purposes

We are permitted to use and disclose your Protected Health Information for our payment related purposes or those of another insurer, health plan, or health care professional. Examples of our payment related purposes include obtaining premiums, providing reimbursement for health care, or determining or fulfilling our responsibility for coverage and benefits under your insurance policy or certificate.

For example, if you have a John Hancock long-term care insurance policy and present a claim for benefits, we may obtain medical records from your doctor to determine if you are eligible for benefits under the terms of the policy.

The payment-related uses and disclosures that are permitted include:

- determining eligibility for coverage;
- making claim decisions;
- care coordination activities;
- coordinating benefits with other insurers or payers;
- billing;
- claims management;
- collection activities;
- collecting reinsurance; and
- related health care data processing.

We may also disclose your name, address, date of birth, social security number, payment history, account number and the name and address of your health care provider(s) and/or health plan to consumer reporting agencies in connection with collection of premiums or reimbursement.

Use and disclosure for health insurance operations

We are also permitted to use and disclose your Protected Health Information for purposes related to our health insurance operations, or the health insurance operations of another insurer or health plan with which you have coverage or have applied for coverage. Our health insurance operations may include underwriting, premium rating, and other activities related to the issuance, renewal or replacement of a long-term care or medical insurance policy, certificate or rider, or for reinsurance purposes.

For example, when you apply for insurance, we may collect Protected Health Information from your doctor to determine if you qualify for insurance.

We may also use and disclose such information:

- to conduct or arrange for medical review, legal services, or auditing, including fraud and abuse detection and compliance programs;
- for business planning and development, such as administration, development or improvement of methods of payment or coverage procedures;
- for business management and general administrative activities such as those that relate to compliance with HIPAA; customer service; providing data analyses for policyholders, plan sponsors or other customers (without disclosing the medical information to them); resolving internal grievances; sale, merger, transfer, or similar activities; or removing identifiers from medical information; or
- to offer an enhancement to or upgrade of your existing coverage.

If you are insured under a group long-term care insurance policy, we may also disclose your Protected Health Information to the sponsor of your benefit plan to report claims experience or for audit purposes.

Use and disclosure for public health, government, or similar activities

We are permitted to disclose your Protected Health Information as described below, although we anticipate any such disclosure to be quite rare:

- to a legally authorized public health authority or cooperating foreign government official for public health purposes;
- to a public health or other appropriate government authority authorized to receive reports of child abuse or neglect;
- to a person subject to the jurisdiction of the Food and Drug Administration for purposes related to the quality, safety or effectiveness of FDA-regulated products or activities;
- if authorized by law, to a person who may have been exposed to or at risk of contracting a communicable disease or condition;
- to a government authority when there is reason to suspect abuse, neglect, or domestic violence;
- to a health oversight agency for authorized oversight activities; and
- to a coroner or medical examiner, a funeral director, or for organ or tissue donation purposes.

We may also use or disclose your Protected Health Information for: judicial or administrative proceedings; for law enforcement purposes; for research purposes; to avert a serious threat to health or safety; for specialized government functions; or for workers' compensation or similar purposes.

Disclosure to You and Individuals Involved in Your Care

If you send us a written request, we will disclose your Protected Health Information that we have to you. We may disclose your Protected Health Information to your family member, friend, personal representative, or other individual you identify who is involved in your care or reimbursement for your care, but we will first give you an opportunity to give or withhold your consent, where possible. If you are not available to give your consent to such a disclosure, or in an emergency, we may disclose your Protected Health Information that is directly relevant to such person's involvement with your care or payment for such care.

We may also disclose your Protected Health Information for the treatment activities of a doctor or other health care professional.

Your Rights

You have certain rights concerning the Protected Health Information we have about you in our records, as described below.

Inspect and Copy

You have the right to inspect and obtain a paper or electronic copy of your Protected Health Information maintained in our records, but not psychotherapy notes nor information we compile in anticipation of a claim or legal proceeding.

To make a request, please submit it in writing to the address at the end of this notice. If you would like to specify a particular form or format for the information, we will try to accommodate your request if it can readily be produced in that manner; otherwise, we will provide a paper copy or other form or format that we agree upon. If we would prefer to send you a summary or explanation of your Protected Health Information rather than the actual records, we may do so only with your consent.

We have a right to decline your request in limited situations, such as where a doctor or other health care professional has determined that substantial harm could be caused to you or another person by giving your Protected Health Information to you. In that situation, you would be given a right to have any such denials reviewed by a health care professional designated by us. In the unlikely event that we decline your request, we will give you a written explanation, and advise you of your rights to pursue a review of our decision.

If we do not maintain the Protected Health Information that you request, we will tell you where it is if we know.

Request Confidential Communications

You have the right to request that we send your Protected Health Information to you at a different address or by a means other than mail.

Any such request should be sent to us in writing to the address at the end of this notice, and should specify an alternative address or other means of contacting you.

Amend

You have the right to request that we amend your Protected Health Information in our records if you believe that it is inaccurate or incomplete. To make such a request, please submit it in writing to the address at the end of this notice, giving details of your request and why you are making it. We will respond to your request within 30 days after receiving your request.

If we accept your request, we will amend all appropriate records, and take steps to notify appropriate persons you identify as well as persons we know to have the erroneous medical information.

We may deny your request in certain circumstances, such as if the medical information or record you wish to be amended is accurate and complete, or it was not created by John Hancock (unless the creator is no longer available), or it relates to an anticipated claim or legal proceeding. In that case, we will tell you in writing why we declined your request, and describe your rights, which include (a) the right to submit a written statement of disagreement (subject to our right to prepare a rebuttal statement that we will give to you), which will become part of our records, and will be included with or summarized for future disclosures of the medical information, (b) the right to request that we provide your request for amendment and our denial with any future disclosures of the medical information, and (c) the right to file a complaint.

Accounting of Disclosures

You have the right to request an accounting of most disclosures we made of your Protected Health Information during the six years prior to the date the accounting is requested, subject to certain exceptions. To make such a request, please submit it in writing to the address at the end of this notice.

Request Restrictions on Use and Disclosure

You have the right to request that we restrict our use and disclosure of your Protected Health Information that otherwise would be permitted for purposes related to payment or our health insurance operations, or to your family, friends or others involved in your care or reimbursement for your care. We are not required to agree to such a restriction, and a restriction will not apply to disclosures to you or for certain public health or government purposes. If we agree to such a restriction, we will not use or disclose your medical information in violation of it except if you need emergency treatment, in which case we will request that your medical provider not further use or disclose it.

We may terminate the restriction upon your written request or with your agreement, or at our initiative, but only as it affects Protected Health Information created or received after we advise you of the termination.

Complaints

If you believe that your privacy rights have been violated and wish to make a complaint, you may send a written complaint including specific details to us. You may also submit a complaint to the United States Secretary of Health and Human Services. You can be assured that you will not be retaliated against by John Hancock if you file a complaint.

Right to be Notified Following a Breach of Unsecured Protected Health Information

You have the right to and will receive a notification if John Hancock or one of its business associates has a breach of information security involving your unsecured Protected Health Information.

Effective Date

This Notice is effective May 31, 2013.

Important Notice: Replacement of Life Insurance or Annuities Appendix A – (NAIC Model Regulation)

JOHN HANCOCK LIFE INSURANCE COMPANY (U.S.A.)
(hereinafter referred to as The Company)

This Important Notice must be signed by the Owner and the Agent/Registered Representative and a copy of the signed form left with the Owner. This Notice must be submitted with the Application for Individual Life Insurance.

SECTION A: Proposed Insured(s)

LIFE ONE
1. Name FIRST MIDDLE LAST

LIFE TWO
2. Name FIRST MIDDLE LAST

SECTION B: IMPORTANT NOTICE: Replacement of Life Insurance or Annuities

You are contemplating the purchase of a life insurance policy or annuity contract. In some cases, this purchase may involve discontinuing or changing an existing policy or contract. If so, a replacement is occurring. Financed purchases are also considered replacements.

A **REPLACEMENT** occurs when a new policy or contract is purchased and, in connection with the sale, you discontinue making premium payments on the existing policy or contract, or an existing policy or contract is surrendered, forfeited, assigned to the replacing insurer, or otherwise terminated or used in a financed purchase.

A **FINANCED PURCHASE** occurs when the purchase of a new life insurance policy involves the use of funds obtained by the withdrawal or surrender of, or by borrowing some or all of the policy values, including accumulated dividends, of an existing policy to pay all or part of any premium or payment due on the new policy. A financed purchase is a replacement.

You should carefully consider whether a replacement is in your best interests. You will pay acquisition costs and there may be surrender costs deducted from your policy or contract. You may be able to make changes to your existing policy or contract to meet your insurance needs at less cost. A financed purchase will reduce the value of your existing policy and may reduce the amount paid upon the death of the insured.

We want you to understand the effects of replacements before you make your purchase decision and ask that you answer the following questions and consider the questions on the following page.

3. Are you considering discontinuing making premium payments, surrendering, forfeiting, assigning to the insurer, or otherwise terminating your existing policy or contract? ☐ **Yes** ☐ **No**

4. Are you considering using funds from your existing policies or contracts to pay premiums due on the new policy or contract? ☐ **Yes** ☐ **No**

If you answered Yes to either of the above questions, list each existing policy or contract you are contemplating replacing (include the name of the insurer, the insured or annuitant, and the policy or contract number if available) and whether each policy or contract will be replaced or used as a source of financing

Make sure you know the facts. Contact your existing company or its agent for information about the old policy or contract. If you request one, an inforce illustration, policy summary or available disclosure documents must be sent to you by the existing insurer. Ask for and retain all sales material used by the agent in the sales presentation. Be sure that you are making an informed decision.

SECTION C: Replacement Issues

A replacement may not be in your best interest, or your decision could be a good one. You should make a careful comparison of the cost and benefits of your existing policy or contract and the proposed policy or contract. One way to do this is to ask the company or agent that sold you your existing policy or contract to provide you with information concerning your existing policy or contract. This may include an illustration of how your existing policy or contract is working now and how it would perform in the future based on certain assumptions. Illustrations should not, however, be used as a sole basis to compare policies or contracts. You should discuss the following with your agent to determine whether replacement or financing your purchase makes sense:

PREMIUMS:
- Are they affordable?
- Could they change?
- You're older – are premiums higher for the proposed new policy?
- How long will you have to pay premiums on the new policy? On the old policy?

POLICY VALUES:
- New policies usually take longer to build cash values and to pay dividends.
- Acquisition costs for the old policy may have been paid, you will incur costs for the new one.
- What surrender charges do the policies have?
- What expense and sales charges will you pay on the new policy?
- Does the new policy provide more insurance coverage?

INSURABILITY:
- If your health has changed since you bought your old policy, the new one could cost you more, or you could be turned down.
- You may need a medical exam for a new policy.
- Claims on most new policies for up to the first two years can be denied based on inaccurate statements.
- Suicide limitations may begin anew on the new coverage.

IF YOU ARE KEEPING THE OLD POLICY AS WELL AS THE NEW POLICY:
- How are premiums for both policies being paid?
- How will the premiums on your existing policy be affected?
- Will a loan be deducted from death benefits
- What values from the old policy are being used to pay premiums?

IF YOU ARE SURRENDERING AN ANNUITY OR INTEREST SENSITIVE LIFE PRODUCT:
- Will you pay surrender charges on your old contract?
- What are the interest rate guarantees for the new contract?
- Have you compared the contract charges or other policy expenses?

OTHER ISSUES TO CONSIDER FOR ALL TRANSACTIONS:
- What are the tax consequences of buying the new policy?
- Is this a tax free exchange? (See your tax advisor.)
- Is there a benefit from favorable "grandfathered" treatment of the old policy under the federal tax code?
- Will the existing insurer be willing to modify the old policy?
- How does the quality and financial stability of the new company compare with your existing company?

SECTION D: Agent Statement

5. The existing policy or contract is being replaced because

REMINDER TO AGENT/REGISTERED REPRESENTATIVE: John Hancock's policy concerning replacement appears in the "Agent's Code of Conduct" and states: The "Replacement" of existing policies should only occur when it is demonstratively in the best interest of the client and in compliance with all applicable state and Company requirements. The client must fully understand the financial consequences of this action and, where required by regulation, Company policy or industry practice, consent to it in writing. SECTION C: Exchanges to New Policy

WHEREAS the undersigned desires to exchange the above referenced Existing Policy(ies) under Section 1035 of the Internal Revenue Code, NOW THEREFORE, in consideration for The Company agreeing to issue a new policy (the "New Policy") in exchange for the Existing Policy(ies),

1. Upon final approval of the undersigned's application for the New Policy, the undersigned:
   a) Assigns and transfers absolutely all right, title and interest in the above referenced Existing Policy(ies) to:
      John Hancock Life Insurance Company (U.S.A.)
      PO Box 55765
      Boston MA 02205-5765
      Attention: LIFE NEW BUSINESS
   b) Authorizes The Company to file this Absolute Assignment/Beneficiary Change with the Existing Insurer, and do everything that is required to accomplish the surrender of the Existing Policy(ies) for the cash surrender value.
   c) Names The Company as beneficiary under the Existing Policy(ies), revoking any prior beneficiary designations.

   If a proposed insured dies prior to the final approval of the undersigned's application for the New Policy, this Absolute Assignment/Beneficiary Change is void and of no effect.
2. The undersigned warrants that each Existing Policy is free and clear of any liens or prior assignments and is not subject to any bankruptcy or collection proceedings.
3. The undersigned understands and agrees that:
   a) Coverage under the New Policy shall not become effective until the later of the date the first premium has been paid in full and the date the New Policy has been delivered, provided that there has been no change in health or circumstance and nothing else has occurred that would require a change to any statement or answer in any part of the application, including any supplemental forms ("Change in Insurability"), and subject to all of the other terms and conditions of the New Policy.
   b) It is vital to inform The Company of any Change in Insurability as soon as possible. If a Change in Insurability occurs prior to the transmittal of this Absolute Assignment/Beneficiary Change to the Existing Insurer, The Company's only obligation will be to return any funds received in connection with the application for the New Policy, and The Company will have no further obligations hereunder. If a Change in Insurability occurs prior to the effective date of coverage of the New Policy but after the transmittal of this Absolute Assignment/Beneficiary Change to the Existing Insurer, The Company (i) may reduce the face amount of the New Policy to the amount of coverage under the Existing Policy(ies), if less than the amount applied for under the New Policy, and (ii) shall not be required to issue any supplementary benefits applied for under the New Policy.

SECTION C: Exchanges to New Policy (continued)

3. c) Provided that no Change in Insurability occurred prior to the transmittal of this form to the Existing Insurer, if the proposed insured, or the surviving proposed insured under a survivorship plan, dies prior to the effective date of coverage of the New Policy but after the transmittal of this Absolute Assignment/Beneficiary Change to the Existing Insurer, The Company will pay a death benefit to the beneficiary named in the application for the New Policy equal to the lesser of (i) the amount of insurance applied for under the New Policy, or (ii) the total amount of death proceeds that would have been payable under the above referenced Existing Policy(ies), subject to all of the terms and conditions of the Existing Policy(ies). If the Existing Insurer rescinds any of the above referenced Existing Policy(ies) or otherwise dishonors this Absolute Assignment/Beneficiary Change or The Company's surrender request with respect to any Existing Policy(ies), the amount of death proceeds that would have been payable under such Existing Policy(ies) will not be included in the calculation of the total amount of death proceeds set forth in (ii) above.

   d) If the proposed insured, or the surviving proposed insured under a survivorship plan, dies prior to the effective date of coverage of the New Policy but after the transmittal of this Absolute Assignment/Beneficiary Change to the Existing Insurer, any amounts paid by the Existing Insurer under the Existing Policy(ies) to a claimant other than The Company shall be deducted from the amount owed to the beneficiary named in the application for the New Policy under the provisions set forth in paragraph c) above.

4. The undersigned is responsible for and agrees to pay any and all premium payments that may come due prior to The Company's acceptance of the Absolute Assignment/Beneficiary Change, as confirmed by its signature below, in accordance with the terms of such Existing Policy(ies).

5. The undersigned agrees that notwithstanding this Absolute Assignment/Beneficiary Change, the Existing Insurer shall be responsible for: 1) the failure to properly calculate the values of the Existing Policy(ies); 2) the delay or failure in paying surrender values to The Company; and 3) the failure or delay in providing to The Company the accurate cost basis, Modified Endowment Contract ("MEC") status, and income tax gain information on the Existing Policy(ies). The Company shall have no obligation or liability relating to or arising from these responsibilities.

6. The undersigned understands and agrees that at any time prior to the transmittal of this Absolute Assignment/Beneficiary Change to the Existing Insurer requesting the surrender of the Existing Policy(ies) for the cash surrender value, The Company may release this Absolute Assignment/Beneficiary Change and reassign ownership of the Existing Policy(ies) to the undersigned.

7. If the undersigned should subsequently decide to cancel the application for the New Policy or return the New Policy under the "free look" provision, The Company will release this Absolute Assignment/Beneficiary Change. It is understood that in the event of the cancellation of the application or return of the New Policy under the "free look" provision, the undersigned may not be able to return the cash surrender proceeds to the Existing Insurer and/or reinstate the Existing Policy(ies) as most insurance policy contracts do not extend the right of reinstatement if a policy was surrendered. If The Company has already requested the surrender of any Existing Policy(ies), The Company's only obligation hereunder shall be the return of all premiums received. Such refund of premiums shall be paid, at the direction of the undersigned, either to the undersigned or to the Existing Insurer.

8. The Company is furnishing this form and is participating in this transaction at the undersigned's specific request, as an accommodation to the undersigned. The undersigned states and agrees that The Company makes no representations concerning the undersigned's tax treatment under Section 1035 of the Internal Revenue Code or otherwise, and The Company has no responsibility or liability for the validity of this Absolute Assignment/Beneficiary Change nor the undersigned's tax treatment under Section 1035 of the Internal Revenue Code or otherwise.

9. The undersigned understands that any distribution from the Existing Policy(ies) or the New Policy at the time of the exchange or within six months before or after the exchange will be reported to the Internal Revenue Service as a distribution that is taxable up to the amount of gain in such Existing Policy(ies) immediately prior to the assignment. The undersigned also understands that the use of policy value to repay a policy loan is a distribution and that any outstanding loan(s) on any Existing Policy(ies) at the time of the assignment will be treated as paid off by means of such a distribution unless the New Policy is subject to a loan in the same amount when it is issued. Unless the loan is carried over to the New Policy, the exchange will be partly taxable if there is any gain in the Existing Policy(ies).

10. Unless the Existing Policy(ies) are attached, I affirm that the Existing Policy(ies) has been destroyed or lost and that reasonable effort has been made to locate it. I agree that should the Existing Policy(ies) be found or in any way come into my possession, I will return the Existing Policy(ies) to John Hancock.

IMPORTANT NOTICE: Replacement of Long-Term Care Insurance

JOHN HANCOCK LIFE INSURANCE COMPANY (U.S.A.)
(hereinafter referred to as The Company)

SAVE THIS NOTICE. IT MAY BE IMPORTANT TO YOU IN THE FUTURE.

SECTION A: Proposed Insured

1. Name FIRST MIDDLE LAST

SECTION B: IMPORTANT NOTICE: Replacement of Long-Term Care Insurance

According to your application and the information that you have furnished, you intend to lapse or otherwise terminate existing accident and sickness or long-term care insurance and replace it with a long-term care rider to an individual life insurance policy to be issued by The Company. Your new policy provides thirty (30) days within which you may decide, without cost, whether you desire to keep the policy. For your own information and protection, you should be aware of and seriously consider certain factors which may affect the insurance protection available to you under the new policy.

You should review this new coverage carefully, comparing it with all accident and sickness or long-term care insurance coverage you now have, and terminate your present policy only if, after due consideration, you find that purchase of this long-term care coverage is a wise decision.

STATEMENT TO PROPOSED INSURED BY AGENT, BROKER OR OTHER REPRESENTATIVE: I have reviewed your current medical or health insurance coverage. I believe the replacement of insurance involved in this transaction materially improves your position. My conclusion has taken into account the following considerations, which I call to your attention:

1. Health conditions which you may presently have (pre-existing conditions), may not be immediately or fully covered under the new policy. This could result in denial or delay in payment of benefits under the new policy, whereas a similar claim might have been payable under your present policy.
2. State law provides that your replacement policy or certificate may not contain new pre-existing conditions or probationary periods. The insurer will waive any time periods applicable to pre-existing conditions or probationary periods in the new policy (or coverage) for similar benefits to the extent such time was spent (depleted) under the original policy.
3. If you are replacing existing long-term care insurance coverage, you may wish to secure the advice of your present insurer or its agent regarding the proposed replacement of your present policy. This is not only your right, but it is also in your best interest to make sure you understand all the relevant factors involved in replacing your present coverage.
4. If, after due consideration, you still wish to terminate your present policy and replace it with new coverage, be certain to truthfully and completely answer all questions on the application concerning your medical health history. Failure to include all the material medical information on an application may provide a basis for The Company to deny any future claims and to refund your premium as though your policy had never been in force. After the application has been completed and before you sign it, reread it carefully to be certain that all information has been properly recorded.

Long-Term Care Insurance Personal Worksheet

JOHN HANCOCK LIFE INSURANCE COMPANY (U.S.A.)
(hereinafter referred to as The Company or John Hancock)

Print and use black ink. Any changes must be initialed by the Applicant.

This worksheet will help you understand some important information about this type of insurance. State law requires companies issuing this rider to **give** you some important facts about premiums and premium increases and to **ask** you some important questions to help you and the company decide if you should buy this rider. Long-term care insurance can be expensive and it may not be right for everyone.

SECTION A: Proposed Insured Information

1. Name FIRST MIDDLE LAST

SECTION B: Policy Owner Information

• Complete if Policy Owner is someone other than the Proposed Insured

2. Name FIRST MIDDLE LAST

SECTION C: Premium Information

Rider Form Number: ICC18 18LTCR

The premium for the coverage you are considering will be $ ________ per ________ , or a total of $ ________ per year.

The premium for the life policy quoted in this worksheet is not guaranteed and may change during the underwriting process.

Type of Rider: Noncancellable

The Company's Right to Increase Premiums: The Company **cannot** increase the rates used for determining the charges for this rider.

SECTION D: Premium Increase History

John Hancock Life Insurance Company (U.S.A.) has sold long-term care insurance riders issued with individual life insurance policies since 2000 and has sold this rider since 2018. The company has never increased its rates for this rider or any similar long-term care riders it has sold in this state or any other state.

SECTION E: Questions About Your Income, Savings and Investments

You do **not** have to answer the questions that follow. They're intended to make sure you've thought about how you'll pay premiums and the cost of care your insurance doesn't cover. If you don't want to answer these questions, you should understand that the company might refuse to insure you.

3. What resources will you use to pay your premium?

☐ Current income from employment ☐ Current income from investments ☐ Other current income
☐ Savings ☐ Sell investments ☐ Sell other assets ☐ Money from my family ☐ Other ________

If you'll be paying premiums with money received only from your own income, a rule of thumb is that you may not be able to afford this rider if the premiums will be more than seven percent (7%) of your income.

4. Could you afford to keep this rider if your spouse or partner dies first?

☐ Yes ☐ No ☐ Don't know ☐ Doesn't apply

5. What is your household annual income from all sources? (check one)

☐ Under $50,000 ☐ $50,000-$100,000 ☐ Over $100,000

6. Do you expect your income to change over the next ten (10) years? (check one)

☐ No ☐ Yes, expect to increase ☐ Yes, expect to decrease

SECTION F: Questions About Your Income, Savings and Investments (continued)

7. If you plan to pay premiums from your income, have you thought about how a change in your income would affect your ability to continue to pay the premium?

☐ Yes ☐ No

This rider does not include inflation protection coverage. Decreases to the Death Benefit of the policy resulting from the exercise of the rights thereunder, including the right to take withdrawals, will reduce the Maximum Monthly Benefit Amount and the amount payable upon the Insured's death.

The national average annual cost of long-term care in an assisted living facility for a one-bedroom unit in 2020 was $43,536, but this figure varies across the country. In ten (10) years the national average annual cost would be about $70,973.68 if costs increase five percent (5%) annually.

(Source: https://acl.gov/ltc/costs-and-who-pays/costs-of-care *in 2020)*

8. The elimination period of the long-term care rider is 90 days.

In 2020, the approximate cost of long-term care in an assisted living facility for a one-bedroom unit for this period was $10,884.

9. How do you plan to pay for your care during the 90 day elimination period? (check all that apply)

☐ From my income ☐ From my savings/investments ☐ My family will pay

10. Not counting your home, about how much are all of your assets (your savings and investments) worth? (check one)

☐ Under $50,000 ☐ $50,000-$100,000 ☐ Over $100,000

11. Do you expect the value of your assets to change over the next ten (10) years? (check one)

☐ No ☐ Yes, expect to increase ☐ Yes, expect to decrease

If you are buying this rider to protect your assets and your assets are less than $50,000, experts suggest you think about other ways to pay for your long-term care.

Things You Should Know Before You Buy Long-Term Care Insurance

JOHN HANCOCK LIFE INSURANCE COMPANY (U.S.A.)
(hereinafter referred to as The Company or John Hancock)

SECTION A: Long-Term Care Insurance

A long-term care insurance policy may pay most of the costs for your care in a nursing home. Many policies also pay for care at home or other community settings. Since policies can vary in coverage, you should read this policy and make sure you understand what it covers before you buy it.

You should **not** buy this insurance policy unless you can afford to pay the premiums every year.

The personal worksheet includes questions designed to help you and The Company determine whether this policy is suitable for your needs.

SECTION B: Medicare

Medicare does **not** pay for most long-term care.

SECTION C: Medicaid

Medicaid will generally pay for long-term care if you have very little income and few assets. You probably should **not** buy this policy if you are now eligible for Medicaid.

Many people become eligible for Medicaid after they have used up their own financial resources by paying for long-term care services.

When Medicaid pays your spouse's nursing home bills, you are allowed to keep your house and furniture, a living allowance, and some of your joint assets.

Your choice of long-term care services may be limited if you are receiving Medicaid. To learn more about Medicaid, contact your local or state Medicaid agency.

SECTION D: Shopper's Guide

Make sure the insurance company or agent gives you a copy of a book called the National Association of Insurance Commissioners' "A Shopper's Guide to Long-Term Care Insurance." Read it carefully. If you have decided to apply for long-term care insurance, you have the right to return the policy within 30 days and get back any premium you have paid if you are dissatisfied for any reason or choose not to purchase the policy.

SECTION E: Counseling

Free counseling and additional information about long-term care insurance are available through your state's insurance counseling program. For more information about the senior health insurance counseling program in your state, contact the state agency listed in the Directories in the above mentioned "A Shopper's Guide To Long-Term Care Insurance".

SECTION F: Facilities

Some long-term care insurance contracts provide for benefit payments in certain facilities only if they are licensed or certified, such as in assisted living centers. However, not all states regulate these facilities in the same way. Also, many people move into a different state from where they purchased their long-term care insurance policy. Read the policy carefully to determine what types of facilities qualify for benefit payments, and to determine that payment for a covered service will be made if you move to a state that has a different licensing scheme for facilities than the one in which you purchased the policy.

Long-Term Care Suitability Guidelines

Suitability guidelines help to ensure that the purchase or replacement of long-term care ("LTC") insurance, which may include an LTC rider attached to life insurance, is appropriate for the needs of the client, and so that they may make informed decisions regarding their LTC insurance purchase.

Producer responsibility to consider appropriateness

Whether a sale is appropriate is based upon the individual's financial situation, goals, and needs with respect to long-term care. In addition, in a replacement situation, an analysis of the benefits and costs of an individual's existing long-term care coverage, as compared to the proposed coverage, is required. **The producer engaging with the applicant and submitting the application must review and discuss all of these considerations with the client as part of the application process.**

Minimum suitability standards

We conduct a financial review to determine if the person responsible for paying premiums can afford them based on the information on the application statement and the **Long-Term Care Insurance Personal Worksheet**. In general, the higher the available disposable income, the greater premium to gross income ratio would be acceptable. We may also look at net worth. If premiums are to be paid from sources other than income, we encourage the proposed owner/payor to present the specific source of funding and to explain why this source is being used. Assets (savings and investments), not including the payor's house, should equal at least $50,000.

Generally, premiums for LTC insurance (in this case, premiums for the life insurance policy with LTC rider) should not exceed 10-25% of gross household annual income. In addition, if the individual's assets are less than $50,000, we recommend that you consider with the payor other options for financing potential long-term care needs.

In summary, in order to determine whether a particular LTC insurance product is suitable, the producer must help the applicant consider a number of factors, including:

- Where will the money for the premium come from (income, savings, investments, etc.)?
- What are the living arrangements (are family and/or friends available to assist in care, if needed)?
- What is the actual cost of care in the area where the insured lives?
- How would the individual fund care costs during the LTC policy Elimination Period?
- What are the insured's needs and how can a particular LTC insurance product satisfy those needs?
- Which benefits the agent has advised should be selected, including benefit levels, inflation choices, optional benefits, etc.
- What could happen if the individual experiences a change in financial circumstances?

Delivery of forms

Prior to completing the application, the producer must provide all clients the following documents:

- **Long-Term Care Insurance Personal Worksheet** which must be signed by the producer and the client(s).
- **Things you should know before you buy long-term care insurance**

Filling out the Long-Term Care Insurance Personal Worksheet

1. The producer must review with the applicant the income, asset, goals, and needs information from the application — in this case, the life insurance application.
2. The applicant must sign the **Long-Term Care Personal Worksheet** but may decide to either:
   - Submit it with requested information filled in, or
   - Indicate that they have chosen not to provide the information.
3. Both the producer and the client must check the appropriate box above the signature line, and sign and date the worksheet in the spaces provided. **This date should not be later than the date of the life insurance application.**

Signed copies of the **Long-Term Care Personal Worksheet** become part of the permanent application file.

Closing files at day 60

Cases will be closed (as Incomplete) 60 days from the Application Received Date if the necessary medical or non-medical requirements have not been received. Non-medical requirements include forms, outstanding application information, and/or licensing requirements. If the case is closed as Incomplete, any premium submitted with the application will be refunded directly to the applicant.

If the outstanding requirements are received after the file has been closed, we will reopen the case, determine if any new requirements are needed, and continue to process accordingly

Third-Party Ownership Disclosure – Long-Term Care Riders

JOHN HANCOCK LIFE INSURANCE COMPANY (U.S.A.)
(hereinafter referred to as The Company)

SECTION A: Proposed Life Insured or Life Insured

1. a) Name FIRST MIDDLE LAST

b) Policy Number (If known)

SECTION B: Applicant (Owner) or Proposed Owner

2. Name FIRST MIDDLE LAST

The Company is a provider of life insurance policies and related products; as such, The Company does not provide legal or tax advice regarding any potential ownership arrangement for our products. We understand, however, that under certain circumstances you and your tax and legal advisors may determine that it is in your best interests for a life insurance policy with a long-term care rider to be owned by a third party (i.e., someone other than the Life Insured). The Company cannot provide you with tax advice and urges you to obtain independent advice on the tax issues described below.

We caution you that, although there are arguments for favorable tax treatment of policies with the long-term care rider when they are owned by a third party, there is little guidance from the Internal Revenue Service as to the tax effects of such third-party ownership. Given the current lack of guidance regarding the ramifications of third-party ownership, there is the risk that such ownership structure could cause adverse income, estate and/or gift tax consequences. Therefore, we encourage you and your tax and legal counsel to review the particulars of your intended ownership arrangement in light of the income, gift, and estate tax provisions of the Internal Revenue Code.

In addition, when long-term care benefits are paid out under the long-term care insurance rider, those benefits are paid to the owner of the life insurance policy and not to the Life Insured. A third-party ownership structure with the long-term care insurance rider means that the long-term care insurance benefits under the rider are not paid to the Life Insured.

You should obtain independent advice tailored to the facts of your particular situation. A life insurance policy with a long-term care rider should only be purchased by or transferred to a person other than the Life Insured after all parties have carefully reviewed the issues with their own tax and legal advisors.

SECTION C: Signatures

I have read and understood the foregoing disclosure, and to the extent I consider necessary, I have discussed it with my tax and legal advisors. I am not relying on tax advice provided by The Company or by its employees or representatives.

(v) *Toileting* which means getting to and from the toilet, getting on and off the toilet, and performing associated personal hygiene.

(vi) *Transferring* which means moving into or out of a bed, chair, or wheelchair. Transferring does not include the task of getting into or out of the tub or shower or mobility outside the Insured's place of residence.

Medication management, the management of financial affairs, assistance with the telephone and clinical interventions (such as but not limited to blood and/or glucose monitoring, or assistance in putting on and/or taking off compression stockings) are not Activities of Daily Living.

Severe Cognitive Impairment means a deficiency in the Insured's short-term or long-term memory; orientation as to person, place, and time; deductive or abstract reasoning; or judgment as it relates to safety awareness.

Elimination Period (waiting period) means the number of days shown in the Policy Specifications for this rider from the date of Written Certification that the Insured is a Chronically Ill Individual. We will not pay any Accelerated Benefits under this rider until the Elimination Period has been satisfied. We will not pay Accelerated Benefits for any Qualified Long-Term Care Services incurred during the Elimination Period.

Only one complete Elimination Period needs to be satisfied while the rider is In Force.

10. **LIMITATIONS AND EXCEPTIONS**

In addition to the conditions set forth above, the following limitations and exceptions apply to this rider.

(a) EXCLUSIONS

This rider does not pay for care or treatment:

- due to intentionally self-inflicted injury;
- due to suicide or attempted suicide, while sane or insane;
- required as a result of alcoholism or drug addiction;
- due to war (declared or undeclared) or any act of war, or active duty in of the armed forces or auxiliary units;
- due to participation in a felony, riot, or insurrection;
- normally not provided or made in the absence of insurance;
- received outside of the 50 United States and the District of Columbia;
- provided by a Nursing Home, Assisted Living Facility, Home Health Care Agency, or Adult Day Care Center that is owned and operated by a member of your or the Insured's Immediate Family; or
- provided by a member of your or the Insured's Immediate Family.

(b) NON-DUPLICATION OF BENEFITS

This rider will only reimburse charges for Qualified Long-Term Care Services in excess of charges paid, reimbursed, or considered deductibles or coinsurance under any of the following:

- Medicare, including amounts not reimbursable by Medicare such as Medicare deductible or coinsurance amounts;
- any other governmental program (except Medicaid); or
- any workers' compensation law, employer's liability or occupational disease law, or any motor vehicle no-fault law.

(c) CHARGES NOT COVERED

We will not pay for any of the following charges incurred by the Insured: Physician's charges; private duty nurse when the Insured is inpatient confined in a Nursing Home or Assisted Living Facility; hospital and laboratory charges; prescription or non-prescription medication; medical supplies; home modifications and durable medical equipment (excluding for Stay at Home Services); shipping charges; any transportation or mileage charge; items and services furnished for beautification, comfort, convenience, or entertainment; room and board charges or entrance fee for independent living quarters in a continuing care retirement community, rest home, or similar entity; any type of residential upkeep, construction, renovation, or home maintenance (such as painting or plumbing); lawn/yard care; snow removal; vehicle or equipment upkeep; charges for Home Health Care provided outside the Home; hotel, cruise ship or similar charges incurred by the Insured, an Immediate Family member or care provider; and charges for care or services which are not included in and/or are inconsistent with the Insured's Plan of Care.

(d) LIMITATIONS ON THE ELIGIBILITY FOR PAYMENT OF ACCELERATED BENEFITS

We will only pay benefits under this rider for those Qualified Long-Term Care Services specified in the Plan of Care.

THIS RIDER MAY NOT COVER ALL THE EXPENSES ASSOCIATED WITH THE INSURED'S LONG-TERM CARE NEEDS.

11. **RELATIONSHIP OF COST OF CARE AND BENEFITS**

Because the costs of long-term care services will likely increase over time, you and the Insured should consider whether and how the benefits of this rider should be used. ***This rider does not include inflation protection coverage.*** Decreases to the Death Benefit of the policy resulting from the exercise of the rights thereunder, including the right to take withdrawals, will reduce the Maximum Monthly Benefit Amount and the amount payable upon the Insured's death. If there is a Policy Loan, a portion of the Accelerated Benefit will be deemed a loan repayment and will reduce the Accelerated Benefit payable to you and the amount payable upon the Insured's death.

12. **ALZHEIMER'S DISEASE AND OTHER ORGANIC BRAIN DISORDERS**

This rider provides reimbursement for Qualified Long-Term Care Services required as a result of a degenerative brain disorder with demonstrable organic cause (including Alzheimer's disease and similar forms of senility and irreversible dementia) that result in the Insured's Severe Cognitive Impairment.

13. **RIDER CHARGE**

There is a monthly charge for this rider. The charge will cease at the Insured's Age 100. The charge for this rider is the Monthly Rider Rate multiplied by the greater of $0.00 and the Rider Net Amount at Risk divided by 1,000. See **Policy Specifications**.

The Rider Net Amount at Risk is (a) multiplied by (b) multiplied by (c), where:

- (a) is the Accelerated Benefit Balance; and
- (b) is (i) minus (ii), where:
  - (i) is 1 divided by the Death Benefit Discount Factor; and
  - (ii) is the ratio of the Policy Value divided by the Life Insurance Death Benefit, both determined immediately after the deduction of all other charges due on that date;
- (c) is the Rider Charge Adjustment Factor. See **Policy Specifications**.

If the policy contains a Death Benefit Protection provision, the Rider Charge deducted from the Death Benefit Protection Value is calculated in the same manner as described above except that:

- (a) the Death Benefit Protection Value is used instead of the Policy Value in the Rider Net Amount at Risk calculation; and
- (b) the Rider Charge Adjustment Factor used in the Death Benefit Protection Value is equal to the Death Benefit Protection Value Rider Charge Adjustment Factor, if any, shown in the Policy Specifications. Otherwise, the Rider Charge Adjustment Factor used in the Death Benefit Protection Value is equal to 1.

14. **ADDITIONAL FEATURES**

(a) MEDICAL UNDERWRITING

Issuance of this rider may depend upon certain medical information about the Insured. This is generally known as medical underwriting.

(b) EFFECT OF ACCELERATED BENEFITS ON THE POLICY

This rider interacts with the policy to which it is attached. Each payment of Accelerated Benefits reduces the Face Amount of the policy and also reduces the Policy Value by an amount proportional to the Face Amount reduction. Once benefits are paid under this rider, you will receive a monthly statement showing Accelerated Benefits paid and the effect of such payments on the policy's values. Accelerated Benefits under this rider affect the policy as follows:

- **Death Benefit and Face Amount.** Each payment of Accelerated Benefits reduces the Face Amount, resulting in a new Face Amount.
- **Policy Value.** Each payment of Accelerated Benefits reduces the Policy Value, resulting in a new Policy Value. If the policy contains a Death Benefit Protection provision, Persistency Credit provision, or Cumulative Guarantee provision, each Accelerated Benefit payment reduces the Death Benefit Protect Value, Persistency Measure, and the Cumulative Guarantee Policy Value by the same proportion by which the Policy Value is reduced.
- **Surrender Charges.** If the policy imposes a Surrender Charge for a reduction in Face Amount, such charge will be waived for Accelerated Benefits payments.
- **Loans.** If, at the time we pay an Accelerated Benefit, there is an outstanding Policy Loan, a portion of the Accelerated Benefit will be deemed a loan repayment and will reduce the Accelerated Benefit otherwise payable.
- **Restrictions on Transfers.** If this rider is attached to an indexed universal life insurance policy or a variable universal life insurance policy, and you are receiving Accelerated Benefits under this rider, we will transfer any Policy Value from your Index Accounts or Investment Accounts to the Guaranteed Interest Account or Fixed Account, respectively. Such transfers will be made at the end of the Segment Period or Valuation Date following payment of your claim. While you are receiving Accelerated Benefits, you will not be able to allocate Policy Value or future premium payments to any Indexed Account or Investment Account.

(c) EFFECT OF POLICY CHANGES ON THE ACCELERATED BENEFIT POOL

- **Withdrawals and Face Amount Reductions.** Any withdrawal or reduction in Face Amount (whether requested or due to coverage lapse) is considered a Policy Change and will reduce the Accelerated Benefit Pool, resulting in a new Maximum Monthly Benefit Amount. Such reduction will be effective as of the effective date of the withdrawal or reduction in the Face Amount.

(d) EFFECT OF TERMINAL ILLNESS RIDER

- **Terminal Illness.** Any benefits payable under a Terminal Illness rider reduce the benefits available under this rider.
